COMPARED TO Q9, MY NOVEL ISN'T WORTH ANYTHING.
!!
THAT'S.. HIS DATA FOR THE NOVEL!
OH MAN, LISTEN TO HIM..

*Just as if Hamasaki were a teacher, doctor or even manga artist, becoming a novelist would give people the right to affix the honorific, "sensei" to his name. They jokingly call him Hamasaki-sensei in light of his recent "accomplishment"

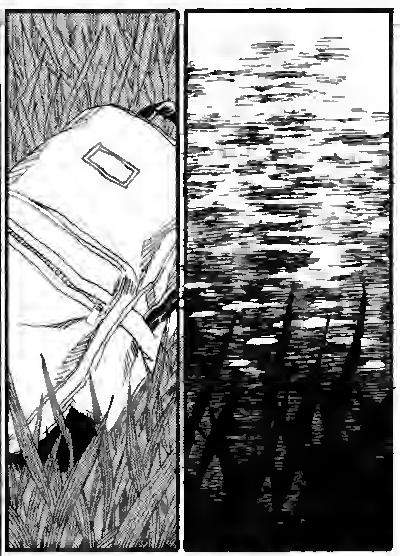
Hmm? M'wako?
NO WAY HE WOULD!
LATER!
WE'RE OFF TOMORROW TOO. YOU GUYS WANNA COME OVER AND PLAY SOME GAMES?
SURE!
AH, WHAT A NIGHT!



"HA", here, is an onomatopoeia suggesting a panting sound when one is out of breath, as opposed to a laugh (ha ha ha).
